## Introduction

### About Us:

A Squared is a leading Hong-Kong based physiotherapy, wellness and healthcare company.

### Our Mission:

Supplying our customers with the highest-quality, safety-tested physiotherapy, rehabilitation, sports fitness and medical products. To make purchasing these products easy, reliable and profitable for our clients.

### History & Management:

A Squared was established in 2013 by Christof Van der Stichele. Prior to founding A Squared, Christof was international sales manager of one of the world's top physiotherapy and wellness device companies for many years.

Christof has 25 years of experience in Asian markets, international business development, building distributor networks, and supervising manufacturing.

### Distribution Opportunities:

We offer exclusive distribution opportunities for several of the products in this catalogue. Please contact us for more information

### Our Products:

A Squared offers only products and services which reflect these core values: **Quality**, **Safety** and **Evidence-Based**.

**Thank you for your interest in our products. We hope you enjoy our 2017 catalogue, and welcome your enquiries:**
